SESSION REMINDER

A Congregational Meeting will be held on Saturday, July 10, 2021 at 10:00 am. This meeting is to act on the recommendation of the Session that we dissolve WAPC. **If the congregation meets and approves closing the church, we will ask Presbytery to appoint an Administrative Commission which will address all the issues of the church's future.** This meeting will be in person with social distance and masks if not vaccinated. The next Presbytery meeting on July 31, 2021. The committee will have a member of our church and they will report their findings at a later congregational meeting.

No further suggestions or assistance was brought to the June Session meeting that would assist in the future maintenance or operation of a ministry for the Church. There was a request to see if services could begin with the needed precautions. Less than ten members have communicated that they would be able to attend at this time.
